

The Microsoft Copilot logo is a stylized, rounded shape composed of several overlapping, rounded rectangular segments in a vibrant rainbow color palette. The colors transition from blue at the top, through green, yellow, orange, and red, to purple and pink at the bottom. The text "Microsoft Copilot Enterprise" is centered over the logo in a clean, white, sans-serif font.

Features - Notebook

The screenshot displays the Microsoft Copilot interface. In the top-left corner, the Microsoft logo is followed by the 'COPILOT' and 'NOTEBOOK' tabs. The 'NOTEBOOK' tab is circled in red. In the top-right corner, the user's email 'nicka0@byu.edu' is shown next to a profile icon and a menu icon. The main content area features the Copilot logo and the tagline 'Your everyday AI companion'. Below this, three example cards are shown in a carousel:

- Card 1: Illustration of a desk with a laptop and a globe. Text: "If I give you my schedule this semester, can you suggest ways to help me focus?"
- Card 2: Illustration of a pair of sunglasses with several umbrellas on top. Text: "Generate ideas for wacky new products that might be popular in 2025"
- Card 3: Illustration of a bar chart and a globe. Text: "Draft an outline for an essay on Okun's law for my macroeconomics course"

Below the carousel are links for 'Terms | Privacy | FAQs'. Underneath, the text 'Choose a conversation style' is followed by three buttons: 'More Creative', 'More Balanced' (which is highlighted in blue), and 'More Precise'. At the bottom, there is a text input field with the placeholder 'Ask me anything...' and a microphone icon to its right. To the left of the input field is a blue circular icon with a white plus sign.
